****Please be aware that weather conditions may cause this event to be cancelled at short notice so check the website before setting out****

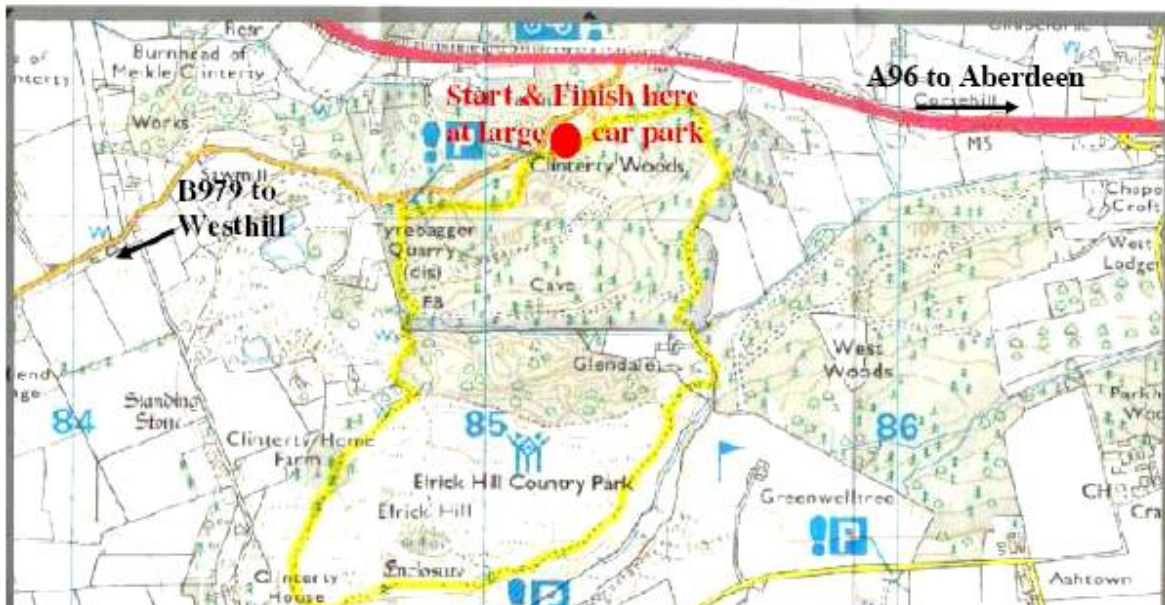

Wear: wet/cold weather clothing (waterproof jacket, hat, gloves are essential – avoid denim jeans as they are restrictive and get cold especially when wet)

Footwear: ideally walking boots but must at least have a good tread and offer protection for walking on wet, rough tracks – don't go buy at this stage as your feet will grow before next year's expeditions!

See further advice on outdoor wear at: <http://www.ramblers.org.uk/advice/walking-gear.aspx>

Weather permitting, you will get to cook outdoors!

**Start and finish at large Sculpture Trail car park (NJ 852112)
off the B979 just south of the A96 (opposite the Christmas tree sales point)**
